SAX MACY FROMM ACCOUNTANTS LEND A HAND WITH PLAYGROUND PROJECT BUILD

CLIFTON NJ -- Marqus White and Pat Philipson, two accountants at Sax Macy Fromm, & Co., PC, a leading New Jersey based accounting and consulting firm, turned in their calculators for a shovel and hammer by helping out with the actual construction of the El Club Del Barrio Peace Playground Project in Newark NJ.

The project took place during October and Mr. White and Mr. Philipson spent a half-day at the site.

The ambitious Peace Playground development, the sixth in a series of Community Service Projects, was initiated through a partnership between the Community Action Committee of the National Association of Industrial and Office Properties and The Trust For Public Land In Newark, NJ. The two Sax Macy Fromm accountants were delighted to help with the build and participate in this admirable undertaking.

“This is an ideal way to do our part in giving back to the residents of New Jersey as well as support the revitalization of the urban communities we serve and work in,” Mr. White added. “We look forward to helping out with additional projects in the future.”

The Community Action Committee has successfully built playground projects in other communities including Elizabeth, Harrison, Perth Amboy, Asbury Park and Paterson. A ribbon cutting ceremony for the Newark Project is slated for early December.
