SAX MACY FROMM ATTENDS TRI COUNTY COMMERCE WOMEN IN BUSINESS CONFERENCE

CLIFTON NJ – DECEMBER 2, 2005 — Several professionals from Sax Macy Fromm Co., PC, a leading New Jersey based accounting and consulting firm, recently attended a business conference entitled “Woman to Woman Celebrating our Success featuring: Tap Dancing Through the Boardroom.” The conference, presented by the Tri-County Chamber of Commerce in partnership with William Paterson University, addresses the challenges and opportunities available for women in today’s corporate environment.

Over 125 women attended this third annual conference from the business, education, health, and legislative communities and Kathleen Alexander, a principal at Sax Macy Fromm, was the co-chair of this year’s event. The firm has been a sponsor of this event since its inception.

Ms. Alexander noted, “Sax Macy Fromm is ahead of the curve in encouraging the advancement of women in the business world and we are happy to once again support the Tri County Chamber of Commerce event.”

The highlight of the evening was a presentation by Ms. Neale Godfrey. Her one-woman show was a humorous look at her many years in the corporate world, with the message that perseverance and a "just do it" attitude can help anyone be successful.
